Dear Parents / Caregivers,

Roxby Downs Area School has been implementing a Bring Your Own Device (BYOD) strategy within the 7-12 classes in 2015. We will implement this program in the 3/4 year levels in 2016 with the intention of continuing this focus as these students move into Year 5/6 in 2017, as well as introducing BYOD to the new Year 3/4 Classes.

An information night was held on the 5<sup>th</sup> of November which had many questions asked and answered. A further information session will be held early in 2016. From this initial meeting we have been able to produce a Frequently Asked Questions (FAQ) page please see the attached sheet.

The school is now seeking some more information about the iPad BYOD program and would greatly appreciate the survey below being filled in and returned to help us make this transition as effective as possible.
